Bulk Jelly Catalogue 2020

ABOUT US

Whilst working for a leading UK wholesaler, Serhat Turhal and Nilhan Soyler, Pimlico Confectioners' co-founders, sensed a market demand for a competitively priced, high quality confectionery brand. Pimlico Confectioners was created to fulfil this demand. Originally based in Pimlico, London but now located in Ramsbottom, Lancashire, Pimlico Confectioners launched their first four products in 2011, closely followed by five more in 2012. By 2018 Pimlico Confectioners had over 30 confectionery products widely available from major retailers throughout the UK.

OUR MISSION

At Pimlico Confectioners we have one simple goal - to offer our customers high quality treats, that are bursting with flavour, at an attractive price.

OUR QUALITY

Our products contain natural fruit juices rather than artificial colours and additives, are gluten free, GMO free, fat free and nut free. Production takes place, using the latest technologies, in state-of-the-art manufacturing facili- ties. In addition to this, our entire range is Halal certified by HMC UK and we have a wide range of vegetarian vegan jellies.

OUR FUTURE

Born in the UK, Pimlico Confectioners is now launching products further afield in order to take our sweet treats into new markets around the world. At the same time, we are constantly striving to innovate and extend our comprehensive range of products. In the past year, for example, our new vegan treats have proved extremely popular and we are excited about our new cocktail flavoured treats, developed to appeal to sweet toothed adults.

WHAT WE OFFER:

- We stock over 30 different shapes and flavours of jelly sweets in 1-2kg bulk packs and a range of lollipops in the UK
- Mixed Pallets of jelly sweets are available for smaller and trial orders
- Exclusive, BRC certificated, contract packing opportunities in the UK for private label projects

This catalogue shows our bulk range of jellies, sweets and lollies which come in 1-2kg bags. We also provide mixed pallets of all the sweets listed in the catalogue. If you are interested in purchasing bulk sizes please email us at info@pimlicoconfectioners.co.uk
